APPRAISAL OF RENTAL VALUE – 136 Millwell Road, MAROOCHYDORE

When assessing the rental value of a Property, we take into account factors that assist in leasing the Property promptly. This includes comparison of similar properties, current vacancies and market trends. Obtaining a realistic rental value ensures that the Property is let as quickly as possible for a better financial return on investment.

A range of rental value is provided. The higher figure represents a rental which may be achieved given time and may be used to test the market. The lower figure is one which may appeal to a Tenant quickly. Somewhere in between would be considered a reasonable market value to locate a suitable Tenant in a reasonable time frame. If a Tenant is required urgently it may be better to consider starting at the lower figure appraised.

If possible, we aim at achieving a higher rent for Lessors although this depends on many factors such as the condition of the Property and market activity.

I anticipate that a rental of between \$460 - \$490 per week be achievable for this unit.
